Sponsorship Opportunity

Invitation to Participate – Borneo Cardiology Conference (25–26 June 2026, Pullman Hotel, Kuching, Malaysia)

On behalf of the Department of Cardiology, Sarawak Heart Centre and the Organising Committee, we are delighted to invite you to participate in the upcoming Borneo Cardiology Conference, to be held on 25–26 June 2026 at the Pullman Hotel, Kuching.

The theme of our conference will be “Optimal care in resource limited settings”. We hope to bring together leading cardiologists, researchers and other healthcare professionals to share latest scientific knowledge and approaches to delivery of cardiovascular care, and how these recommendations can be applied when resources are limited. The sessions will cover a wide range of topics, including acute coronary syndrome, heart failure, valvular heart disease, arrhythmia, hypertension, dyslipidaemia, diabetes, congenital heart disease, and many more. We hope this event will be a platform for participants to exchange innovative ideas and network with peers, and for industry to showcase cutting-edge solutions to the cardiology community in our region.

We sincerely appreciate your continued support and leadership in helping to advance cardiovascular care in this region, and we look forward to your participation to make the Borneo Cardiology Conference 2026 a huge success.
